Chhattisgarh, India | +91-7987014175 | pv6264120@gmail.com

PROFESSIONAL SUMMARY

Creative and detail-oriented Fashion Design fresher with a Professional Fashion Designing diploma and a Diploma in Handloom and Textile Technology. Portfolio demonstrates womenswear design, fashion illustration, textile and surface development, styling, color stories, mood boards, fabric selection, and garment detailing. Developed 7 womenswear design concepts and an Azure Heirloom Collection exploring traditional textile and Banarasi-inspired design elements. Seeking an entry-level Fashion Design, Fashion Styling, Textile, or Garment Design opportunity.

EDUCATION

Professional Fashion Designing	2025–2026
<i>Skill in a Box</i>	Delhi
Diploma in Handloom and Textile Technology	2019–2021
<i>IIHT</i>	Chhattisgarh

PORTFOLIO PROJECTS

Azure Heirloom Collection	2026
----------------------------------	------

Fashion Design Portfolio

- Developed a womenswear collection inspired by spirituality, architecture, traditional weaving, and the visual heritage of Banaras.
- Explored blue, ivory, gold, and related tones through color palettes, textile references, motif development, and garment detailing.
- Applied textile and surface concepts including woven references, embroidery, decorative borders, and embellished details across coordinated looks.
- Documented full-look presentation with front, side, and back views plus close-up garment details and finishing references.

Womenswear Design Series	2026
---------------------------------	------

Fashion Design Portfolio

- Developed 7 womenswear design concepts spanning contemporary, occasion, evening, and fusion-inspired silhouettes.
- Produced front, side, and back-view fashion presentations with supporting fabric details, color palettes, construction/detail references, and design inspiration boards.
- Explored draping, layered silhouettes, cut-outs, gathered details, statement sleeves, fitted forms, and flowing garments across the design series.

Textile & Surface Development	2026
--	------

Tie & Dye / Surface Design

- Created and presented 4 tie-and-dye surface development techniques: diagonal stripe, shibori horizontal pattern, curved-line, and diamond shibori pattern.
- Connected each surface technique with proposed outfit directions and documented pattern, texture, and visual effects.

ADDITIONAL CREATIVE WORK

- Fabric painting
- Patchwork
- Beadwork embroidery
- Fashion accessory research and styling boards covering traditional and western styles
